MISSION (WHAT FOR)

- freedom of expression and human rights in cultural and media spheres
- solidarity with persecuted authors
- common ground in society by the means of culture and journalism
- promotion of the Ukrainian culture in Ukraine and worldwide
- bridges between cultures and nations

VISION (WHAT DO WE WANT TO BECOME IN THREE YEARS' TIME)

PEN Ukraine is one of the most influential national centers in the region, a beacon institution with its own values and principles.

- Speaks up for protection of persecuted authors and brings the voices of contemporary Ukrainian intellectuals into the human rights field.
- Is an expert organization regarding the situation with the freedom of expression in Ukraine and abroad.
- Preserves the memory about the creators of Ukrainian democratic tradition, namely the dissident human rights activists.

- Promotes Ukrainian culture and the values of independent journalism.
- Is a platform for the exchange of views and promotion of understanding within the society.
- Is a platform for dialogue and initiating new partnerships within the Central and Eastern Europe.

While adding and developing new lines of the organization's activity, we always remember of words as a basis of PEN Ukraine's identity.

OUR GOALS

- standing against persecutions of the freedom of expression
- protecting the authors' rights
- creating the community of concerned Ukrainian intellectuals
- testifying the continuity of Ukrainian culture and journalism
- developing the literary process in Ukraine
- advocating for the values and standards of independent journalism
- standing against disinformation and distortion of facts for personal or political purposes
- establishing international cultural exchange
- promoting Ukrainian culture in Ukraine and abroad
- cherishing the culture of discussion, creating platforms for dialogue
- enhancing the visibility of Ukrainian intellectuals in the media field
